Media Advisory

*APD to announce initial results of
Ticketing Aggressive Cars and Trucks safety program*

The Austin Police Department will host a news conference at 10 a.m. on Tuesday, Nov. 25, 2008, at the South Park Meadows Shopping Center to discuss the initial results of the Ticketing Aggressive Cars and Trucks program.

Highway Enforcement officers will provide statistics from the first phase of the safety initiative and an 18-wheeler will be on site to help demonstrate some new enforcement tactics. In addition, Capitol Metro representatives will showcase the Ticketing Aggressive Cars and Trucks program logo.

Awarded in June, this federal grant program has provided overtime funds over the past several months for enforcement operations and public education programs to reduce unsafe driving practices of commercial and non-commercial drivers in Austin's major corridors. .
